

Renewal Fee Changes Effective July 1, 2003

Effective July 1, 2003, many licensure renewal fees for the Utah Division of Occupational and Professional Licensing will change. Please note that the fees listed below are primary renewal fees only. If you need to renew a controlled substance license, in addition to your primary license, you must also submit its renewal fee (\$68.00). Additionally, you must also submit any applicable late (\$20.00) or reinstatement fees (\$50.00) as noted on your renewal coupon in addition to your renewal fee(s).

Please review this list carefully. Failure to submit the correct fees will delay the processing of your application.
